PARTS MANUAL

MODEL NAME ATLAS-202R-ITPS
ORDER No. 2010003121/291596
PROJECT No. 0911298-03

ISHIDA CO., LTD.

HOW TO USE THIS PARTS MANUAL

□ OVERVIEW

This parts manual contains a list of replacement parts for a standard equipped machine. Please refer to this manual when ordering or replacing parts.

□ HOW TO REFER TO THIS MANUAL

- The machine is divided into sections.
- The Parts Section Locator, found on the first page, contains an illustration showing the location of main components (units). Refer to the illustration to locate the corresponding section for the desired unit. Some units may contain sub sections. Sub sections are listed within a section heading on the Parts Section Locator.
- The Table of Contents, found on the second page, contains the section/page number, unit name, part code, and drawing number for each unit. For a detailed list of parts and parts code used within each unit, refer to the corresponding unit section.
- Page references are constructed as follows: section number, sub section number (if any), and page number.
- A disassembly illustration is found on the left-hand side page of each parts list.

□ ORDERING A PART

When ordering a part, be sure to specify the

part by referring to this manual and advising Ishida of the following information:

- Parts manual number (indicated on the upper side of the Table of Contents)
- Job number of the machine (found on the plate fitted to the main body)
- Company name
- Contact information
- Part code of the required item
- Part name
- Quantity

When you need to order a whole unit, please specify the part code with the marking ● on the itemized list.

REMARK

- The items listed on this manual are original equipment specifications and may be slightly different from the items actually equipped to your Ishida machine now in operation. For this reason, always be sure to indicate job number (indicated on the cover sheet of this manual) when ordering parts.
